2016 Development Plan for: Equality and Diversity

Extract from Single Equality Scheme 2014-2017:

The College has agreed the following five key objectives which have been identified from the more detailed list in this Single Equality Scheme:

1. to provide comprehensive support to, and make specialist information, advice and guidance available to, all applicant students and new students to enable them to access College courses, services and facilities wherever possible
2. to maximise the opportunities for all students to achieve their potential in particular through removal of any possible barriers to accessing learning
3. to ensure accessibility for all students to the full range of Student Services, including Study Skills
4. to equip students with the skills and knowledge needed for life in a global society by embedding a global awareness within the curriculum including providing opportunities for students to learn foreign languages and inter-cultural skills
5. to ensure that all staff teaching students with disabilities have access to relevant information and are supported in their work

The development plan for Equality and Diversity includes specific detail on how we will work towards achieving these objectives in 2016.

INTENDED OUTCOME 1:

(linked to key objectives 1, 2 and 5): To take a formative approach to E&D data collection and analysis, allowing for earlier identification and investigation of underperforming students' personal barriers to learning, and ensuring staff have access to up to date information to act on.

No.	Actions	Timescales/ milestones	Responsibility for action	Review of actions
1.1	To analyse L6 induction, DSA and Leavers' survey responses in terms of E&D category.	April 2016 Nov 2016	Director of Quality	This was trialled in Nov 2015 (Induction Survey). The results were shared with HoDs and the Guidance team.
1.2	To analyse high and low performers at progress review in terms of E&D category.	Jan 2016 Feb 2016	Director of Quality	A new report identifying high (1*) effort grades was drawn up in Jan 2016. L6 Progress review data
1.3	To use data from surveys and progress review to identify groups of students who may not be on track to achieve their potential. To investigate the reasons behind this using appropriate tools (focus groups, case studies, discussions with tutors).	Jan 2016 March 2016	Director of Quality, Equality & Diversity Officer	
1.4	To use equality ambassadors to feedback the results of surveys or progress review analysis (and subsequent investigations) in Department meetings.	April 2016 May 2016	Equality Ambassadors	
1.5	To reschedule the E&D report to allow for L3VA value added data to be included and analysed before presentation to Governors.	June 2016	Equality & Diversity Officer, PA – Resources and Governance	Rescheduled for June 2016.
1.6	To provide HoDs with E&D/demographic data for their students at the start of the academic year, allowing them to anticipate barriers to learning and plan their responses to potential changes.	June 2016 (preparation) Sept 2016 (delivery)	Director of Quality, HoDs	
1.7	To continue to record the outcomes of the Lucid Exact screening diagnostics for all students within ProMonitor to provide all staff and students with access to these results, as well as guidance on their interpretation.	Sept 2016	Head of Study Skills
